## TERMS AND CONDITIONS OF SALE

All property is to be sold "as is" and the Galleries make no warranties or representations of any kind or nature with respect to the property, and in no event shall they be responsible for the correctness, nor deemed to have made any representation or warranty, of description, genuineness, attribution, provenance, or condition of the property and no statement in the catalog or made at the sale, or in the bill of sale or invoice, or elsewhere shall be deemed such a warranty or representation or an assumption of liability.

X The Galleries reserve the right to withdraw any property at any time before actual sale.

Unless otherwise announced by the auctioneer, or sale manager at the time of sale, all bids are per lot as numbered in the printed catalog. The Galleries cannot and do not guarantee the accuracy of this catalog. Oral statement of auctioneer at time of sale supersedes catalog listing. Some water sets, table sets, punch sets, etc., may be sold by the piece at the managers discretion.

The Galleries reserve the right to reject a bid from any bidder. The highest bidder acknowledged by the auctioneer shall be the purchaser. In the event of any dispute between bidders, the auctioneer shall have sole and final discretion as to determine the successful bidder or to re-offer and resell the article in dispute. If any dispute arises after the sale, the Galleries sale record shall be conclusive in all respects.

If the auctioneer determines that any opening bid is not commensurate with the value of the article offered, he may reject the same and withdraw the article from sale; and if, after having acknowledged an opening bid, he decides that any advance thereafter is not of sufficient amount, he may reject the advance.

On the fall of the auctioneer's hammer, title to the offered lot or article will pass to the highest bidder.

Each days purchases must be paid for that day. Items not settled for satisfactorily will be resold at the start of the Saturday, March 10, sale, for the account and risk of the original purchaser, and in such event the original purchaser shall be liable for the payment any deficiency.

Unless exempted by law from the payment thereof, the purchaser will be required to pay the Kentucky sales tax.

The bidding number you receive will be your number for the entire three days. It is charged to you, do not misplace, or lose it.
