CONDITIONS OF SALE

1. Sale limited to Carnival Glass and related items.
2. Terms: Cash or Check time of Sale.
3. All items represented to best of our knowledge. Please examine item as soon as you get it, if not as represented it may be returned within 10 minutes. If returned it will be at the discretion of manager whether item will be resold. Time will not permit resale of many items.
4. All items listed with letters a, b, c, etc. will be sold by the piece and top bidder may take one or as many as he wishes. In the event that he does not take all, back bidder has next chance at same price, then anyone else. If there are still some left it will be at the discretion of the auctioneer whether remaining are reauctioned. Again time does not permit us to do this in many cases.
5. Items such as cream and sugars, etc. will be sold by the piece and the pair to go, or twice the money bid.
6. The highest bidder accepted by the auctioneer shall be the buyer or in the event of a disputed bid the auctioneer may reopen between the disputed bidders. If auctioneer has taken a bid from one party and an associate has taken same bid from another, the auctioneer's bidder's bid will be accepted and the other bidder must raise the bid.
7. It would be appreciated if starting bid would be made quickly and for at least 30% of the value of an item.
8. The auctioneer has the right to refuse token raises on any item. This sale has limited time and fast bidding will be helpful.
9. All sales are subject to Ohio and Licking Co. Sales taxes. The rate is 4 $\frac{1}{2}$ %. The only exception is a licensed dealer purchasing items for resale. In this case a sales tax exemption form must be filled out. The cashier has these available.
10. All items described in this catalog have been described to the best of our ability but we do not guarantee correctness. If there are errors found please accept our apology in advance.
