Selling the top 350 pieces from the 1200 piece carnival glass collection put together by Mr. & Mrs. Kenneth Clark, Lafayette, Indiana. Mr. Clark is retiring and they wish to travel. The Clarks have collected carnival glass for many years and are well-known for their truly outstanding collection. This collection is unusual in that it contains some fabulous rare Fenton and Millersburg pieces which many collectors have never seen.

This glass has all been personally inspected by the sale manager. It is one of the very finest collections ever sold at auction with outstanding rarities, the best of color on every piece, and no damaged items. A fantastic collection! This is an excellent auction with which to begin a new year of collecting and at the same time renew acquaintances with fellow collectors.

The glass may be viewed from noon to 5:00 p.m. At 5 p.m., a Smorgasbord (all you can eat) will be available. The auction begins at 6 p.m. There is no admission charge at the auction. Register at the door for your buying number. Terms: Cash, or check with proper identification.
